SUBJECT: IG Meeting Wednesday May 21 at 11:00 a.m. in Room 3519 to Present Results of Crocker-Lyman-Richards Mission to Liberia and Consider GOL Performance to Date

A high-level U.S. Government team, consisting of Assistant Secretary for African Affairs Chester Crocker, Deputy Assistant Secretary Princeton Lyman and Deputy AID Assistant Administrator for Africa Lois Richards visited Liberia April 15 - 19. The team gave President Doe and the GOL a frank message that the GOL must adopt major economic reforms and reinvigorate efforts at political reconciliation if the U.S. is to be able to sustain present policy, including ESF levels. As agreed in the Interagency Group meeting of Thursday, March 27 which endorsed this mission, another IG meeting will be held on Wednesday, May 21 -- to provide a report on the Crocker-Lyman-Richards mission and an assessment of GOL performance to date and its implications for U.S. policy. Deputy Assistant Secretary Lyman will chair the meeting.

SUBJECT: IG Meeting Thursday March 27 at 11:00 A.M. In Room 3519 N.S. on Liberian Economic Crisis and Use of ESF

The Liberian economic crisis has become so severe that it could harm important U.S. interests in that country. Ambassador Walters will be visiting Liberia April 3 and plans to raise the question of the economic decline and necessary solutions with President Doe. Uses of the U.S. Economic Support Fund would be a part of that discussion and could affect Doe's attitude toward bilateral relations including our Special Facilities. An interagency consensus on these issues is needed before Walters departs for Africa March 31.

Frank Wisner, Acting Assistant Secretary of State for African Affairs, will chair the IG on March 27. A briefing paper will be circulated prior to the meeting.
